

Consent to Treatment

Client Name: _____

Client ID: _____

I hereby seek and consent to take part in the treatment provided by Centerstone. I understand that developing a treatment plan with my therapist and regularly reviewing our work toward meeting the treatment goals are in my best interest. I agree to play an active role in this process.

I understand that after my treatment with Centerstone begins, I have the right to refuse or express choices regarding the services I receive, for any reason. However, I will make every effort to discuss my concerns about my progress with my treating professional before ending therapy. The only thing I will still be responsible for is paying for the services I have already received. I understand that I may lose other services or may have to deal with other problems if I stop treatment. (For example, if my treatment has been court-ordered, I will have to answer to the court.)

I understand that my appointment times are being reserved for me and that efficiency of scheduling often depends on my keeping my appointment as scheduled. I understand that repeated missed appointments may delay my treatment progress and failure to cancel 24 hours before an appointment may result in a fee being added to my account.

I understand that my services may be provided in person or thru telehealth, depending on circumstances and my individual needs. Telehealth includes telephone and various video forms.

If I am a TennCare recipient, I understand that I am eligible for transportation services. I can consult my Benefits Guide for more information or contact the TennCare Advocacy Line at 1-800-758-1638. The transportation provider for this area may be reached at:

- AMERICHoice or AMERIGROUP: Tennessee Carriers: 1-866-405-0238
- BlueCare or TNCare Select: Southeast Transportation: 1-866-473-7565 or 1-866-570-9445

I am aware that an agent of my insurance company, or other third-party payer, may be given information about the type(s), cost(s), date(s), and providers of any services or treatments I receive. This information may be shared until all claims are processed for this treatment episode. I also request payment be made to Centerstone. I understand that if payment for the services I receive here is not made, the therapist may stop my treatment.

My signature below indicates that I have received:

- Copy of the TennCare Kids Brochure (if applicable)
- Orientation to services including health and safety features as applicable at clinic locations
- Copy of my rights and responsibilities via either the Centerstone Client Resource Guide or the annual Client Rights Update

☒ **I, the undersigned, agree and consent to participate in the mental health services offered, which may include service by telehealth methods**

☒ **I attest that I have the legal authority to provide consent on behalf of the client by signing as the Guardian/Conservator. For purposes of consent, unless declared incompetent, individuals ages 16 and older have the right to consent to mental health treatment with proof of their date of birth.**
